WAR BONDS

BOND DRIVE HERE
IS LAGGING; RALLY
PLANNED FOR DEC. 16

The 6th War Loan Drive in the Elba area is far behind what was reasonably expected in this the second week of the campaign. A fairly good beginning was made last week when the campaign was opened, but the week end saw little action from the various committees, possibly due to the Thanksgiving holidays.

Tuesday afternoon reports showed sales as follows: E Bonds \$17,693.75; F Bonds \$2,257; and approximately \$6,000 in the agricultural division. A good portion of E Bond sales was due to the efforts of the women of Elba who operated from specially prepared booths.

Mrs. J. C. Dixon is chairman of the Women's Division.

In the retail division at Elba it was stated that little work had been done. Schools of the county will do their bit in the drive on December 7th, when a "Treasure Hunt" will be staged. Plans call for all school children to take part in this special event.

Saturday, December 16, has been set as the date for a special "Bond Rally" at Elba. Detailed plans have not yet been announced, but an interesting program will be presented. Watch for announcement of this rally.

MAX BOUTWELL IN
SERIOUS CONDITION
FOLLOWING ACCIDENT

He suffered from loss of blood and it was necessary to give him two transfusions after he was rushed to the hospital. Latest reports from his bedside state that he is slightly improved, but his condition is still serious.

He is now in the hospital, where he is being treated by Dr. J. H. Lee, of Troy. His condition is being watched closely.

His father, Mr. M. C. Boutwell, is now in Troy, where he is staying with his family.

His mother, Mrs. M. C. Boutwell, is now in Troy, where she is staying with her family.

**"PAPER WAR" IS FAR
FROM WON**
The American Newspaper
Publishers' Association has
released a resume of facts
and opinions gathered from
key Federal officials in the
interest of newspapers support-
ing the pulpwood and
waste paper campaign.

The ANPA inquiry un-
covered the following signifi-
cant facts pointing to a con-
tinuing demand for pulp-
wood long after the defeat

of the Nazis:

1. Military requirements
for paper and paperboard
are now at a wartime peak.
2. Allied military sup-
plies now in Europe, includ-
ing those of the British,
must be repackaged before
being shipped to Pacific
combat areas.

3. Liberated countries,
such as France, Belgium
and Holland, are making
large demands on this coun-
try for paper.

4. The Army expects no
severe cut-back in military
requirements for paper and
paperboard for six months
after V-E Day.

This is but further evi-
dence of the fact that the
"paper war" isn't yet over
and that the need for pulp-
wood is far from filled. We
have many miles and months
to go in the Pacific despite
our glorious naval victories.

Cut all the pulpwood you
can. But drive these kinds of
pulpwood the mills specify
in order to avoid a waste of
time, effort and transporta-
tion equipment.

A little lemon juice run

SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D.

Lesson for December 3

authorized by International Council of
Christian Education used by

**WORLD-WIDE CHRISTIAN
FELLOWSHIP**
LESSON TEXT—John 17:18-23; 1 Cor-
inthians 13:1-3; 12:4-7, 12-13.
GOLDEN TEXT—"Not for I pray for
these alone, but for them also who shall
believe on me through their word; that
they all may be one."—John 17:20, 21.

Unity among the believers in
Christ is much talked about and de-
sired by many in the church. They
seek a single Christian communion
in the world, or at least a union
of all Protestant churches in one
body. Such outward unity may be
impossible to attain, and in fact
might be quite undesirable if it did
not express a unity of spirit and of
truth.

That fact, however, should not
hinder us from seeking a world-wide
fellowship of all believers of every
race and creed in the unity of the
Holy Spirit. The true church, the
invisible body of Christ, is not di-
vided, even though its members are
scattered in many denominations.

We are reminded in our lesson
that whatever else may be true
about us, we (that is, all believers)
are united in Christ. We are

1. In the World—but in Christ
(John 17:18-23).
Even as Christ was sent of the
Father into the world to be the Light
of the World, so we are here in the
darkness of sin and sorrow to shine
as lights for Him (Matt. 5:14-16).
He did not pray that His disciples
(and that includes us, v. 20) should
be taken out of the world (v. 15) but
that they should be kept from sin
in the world.

So we are in the world. But let us
never for a moment forget that
though we are in the world we are
not of the world. He will give us the
light. He has given us grace and
glory so that we may represent Him
in the world.

There is to be a oneness about be-
lievers (v. 21). Not alone because
of their good (blessed as that may
be), but in order that the world
may know and believe in Christ
(v. 21, 23). The obvious corollary
to that truth is that every evidence
of division and friction between
God's children is an opportunity
and an excuse for the world to deny
the truth of the gospel.

"Behold how these Christians
love one another," was the baffled
testimony of the pagan world in the
early days of the Christian church.
They could argue with their philo-
sophy, and question their the-
ology, but they had to admit that
something had happened to these
people which made them really love
one another.

II. In the Church—but Christ
(1 Cor. 1:1-3).
The church, even in its outward
form of local assemblies and de-
nominations, has a place of great
importance in the world. One could
certainly not find a more wonderful
body of people nor more satisfying
opportunity for service than that af-
forded by the church.

The ones to whom Paul addressed
this letter were members of "the
church of God which is at Corinth,"
but they were what is of infinitely
greater importance, "saints"—those
who had been sanctified, or set
apart from this wicked world, in
Christ Jesus.

This glorious distinction was not
theirs alone, but belonged to "all
that call upon the name of the Lord
Jesus in every place" (v. 2). Here
again we have that fellowship and
unity in the love of Christ which
transcends all other relationships
and which ignores the boundaries of
race, color, social position—yes,
even of church membership.

No matter who or where another
believer may be, Jesus Christ is
"their Lord and ours" (v. 2). One
could shout, "Hallelujah—Praise to
the Lord!" for such a delightful com-
munion of all those who love Him.

III. In Service—but in Christ
(1 Cor. 12:4-7, 12, 13).
God has work to be done in the
world. To accomplish that work, He
gives diverse gifts to men. How
wonderfully He endows and calls
the men and blesses them in His ser-
vice! We can think of nothing more
satisfying than to serve Him.

But even here we must keep in
mind that the important thing is that
we are not individuals, but are in
our solitary glory. No indeed, we
are only a part of a great plan
and purpose being carried out by
"the same Lord" (v. 6). We are
called, commissioned and sent by
the one Holy Spirit (v. 7). We are
"one body" (v. 12), baptized by the
Holy Spirit into that blessed rela-
tionship, and it is that body of Christ
which is at work in the world to do
His will.

So does that in any way min-
imize the glory or the value of what
we are called to do. On the contrary,
it enhances our calling and en-
courage us to greater endeavor. We
are not alone. We are in the Lord's
service, yet, but first of all we are
in Christ, and that means that we
move forward with a great
world-wide fellowship of those who
have loved precious faith.

IN MEMORY OF HUBERT KELLEY

On Sept. 22, just as the
evening sun was sinking low,
the death angel so quietly
crept into the home of Mr.
and Mrs. Hubert Kelley, of
Fairview community, and
claimed the precious soul of
their 15-year-old son, Hu-
bert. Although he was an
invalid, a place is vacant in
the home. He was cheerful
and happy. He was a shining
star. Oh, how we will miss
his smiling face and sweet
voice. It was so hard to
give him up, but the Lord
knows best and does all
things well.

All was done for him that
loving hands could do. We
realize our loss is Heaven's
gain; we know he is at rest
where there is no more pain,
sickness or sorrow. We hope
to meet him in the sweet
by and bye.

His losses to mourn his
death his parents, three
brothers, James, Beuron
and Edward Kelley; grand-
mother, Mrs. G. W. Hall;
several aunts and uncles and
a host of other relatives.

He was laid to rest in the
Bluff Springs cemetery, with
Rev. Q. P. Jones officiating.
Pallbearers were, Howard
Wise, Gary Addison, Fred
Dyess and Arie Galloway.

Written by an aunt,
Mrs. A. W. Parrish.

Just a few days, and our
tears will have dried; just
a few hours, and our task
will be done; yet, still hear
them calling, from darkness
appealing, while we rest in
the light of a setting sun.

Just a few days, and the
gifts we've withheld; just
a few hours, and the call we
refuse will rush on forever,
or return to us never, and
eternity's crown we no longer
may choose.

Just a few days, and then
naught will avail us; the
thought of the crown that
we might have won; and ah!
what the sorrow, if we miss
on the morrow, our share in
that joy when He whispers,
"Well done!"

IN LOVING MEMORY OF OBIE F. HELMS

Chestnut Grove, Ala.—In
early August, the sad mes-
sage came to the parents of
Pvt. Obie F. Helms, Co. F,
28th Inf., 8th Div., that he
was killed in action in
France, July 10.

He was born near Opp,
Ala., Oct. 14, 1924. He en-
listed in the Army at Fort
Benning, Ga., Nov., 1940,
and was sent at once to Fort
Jackson, S. C., where he
was stationed for two years,
then his assignments car-
ried him to Fort Leonard
Wood, Mo., the Desert Area
of California, Camp Forrest,
Tenn., the Eastern Coast,
then to Northern Ireland,
from whence he landed in
France July 4.

Obie was a good boy, his
hopes and aims were to be a
help and consolation to his
parents and return to them
where all could enjoy peace
and fellowship together,
but he, like thousands of
other boys, have already
and still are giving their all
for a better world order of
things. Many of us these
days are shaken to the very
depths. Our children were
growing up happily. We had
dreams about them and
made plans for them. But
now that glory has depart-
ed, the old security has
gone. No one knows what
will happen. Faith in Christ
is our only hope for that se-
curity to return.

Surviving are his parents,
Mr. and Mrs. Charles F.
Helms; three brothers: Jo-
e, Ed Lee and Charles F.
Helms, all of Chestnut
Grove.

Just a few days, and our
tears will have dried; just
a few hours, and our task
will be done; yet, still hear
them calling, from darkness
appealing, while we rest in
the light of a setting sun.

Just a few days, and the

refuse will rush on forever,
or return to us never, and
eternity's crown we no longer
may choose.

naught will avail us; the
thought of the crown that
we might have won; and ah!
what the sorrow, if we miss

WEEKLY NEWS ANALYSIS

**Big Allied Winter Push Aims
At Heart of German Industry;
WFA Sets Food Goals for 1945**

Released by Western Newspaper Union
The weekly news analysis in these columns are those of
Western Newspaper Union's news analysts and not necessarily of this newspaper.

With President Roosevelt, Prime Minister Churchill and Marshal Stalin
scheduled to meet soon, there again has been a resumption of discussion
as to the future disposition of Germany. On the basis of the latest infor-
mation, the Reich might well be reduced to half of its 1938 size, with (1)
France claiming the area west of the Rhine river; (2) a restored Austria
claiming Bavaria; (3) Holland being compensated for flooded lands; (4)
the Russians and Poles dividing East Prussia; (5) Poland receiving
Pomerania and part of Silesia, and the Breslau area going to Czechoslovakia.

PACIFIC: Bloody Science
Bloody business war is also a sci-
ence, and as U. S. troops plodded
forward on Leyte Island in the
Philippines, the U. S. launched an all-out drive against the
enemy's west wall, moving forward
toward the vital industrial Ruhr
and Rhineland despite wintery weather.
Although they had anticipated a
general offensive, the Germans con-
ceded the Allied superiority, stat-
ing that until their wanted new
weapons could be delivered to the
front, their troops would have to
rely on their spirit to stay in the
fight.

As the Allied attack got underway,
the British 2nd army striking in
northwestern Holland about only 37
miles from Dusseldorf; the U. S. 9th
hitting the Tommies' south was
23 miles from Dusseldorf; the U. S. 3rd
working past Metz was 24 miles
from the Saar, and the U. S. 7th
and French let were 40 miles from
the Saar.

Focal points of the attack en-
tered in the U. S. 9th and 1st army
ships, the driving force of the
heavy bombers supported by fighter-
planes dropped thousands of tons of
bombs.

WAR WOUNDS: Greater Recovery
Because of better organized and
equipped medical service, sulfu-
r drugs, penicillin, plasma and whole
blood, wounds are healing faster
than ever. In the Pacific, the U. S.
has previously sent reinforcements
to help the troops holding out
against the American advance.

Manila Bay also came under the
bombardment of U. S. ships, with
carrier-based craft hitting at this
important nerve center of enemy
shipping, the driving force of the
heavy bombers supported by fighter-
planes dropped thousands of tons of
bombs.

FOOD PRODUCTION: Bumper Harvests
Even as the U. S. department of
agriculture forecast bumper grain
crops for 1944, the War Food ad-
ministration announced that its 1945
food production program would re-
main substantially the same as this
year's.

Boosting its estimates of corn pro-
duction 61,000,000 bushels, the USDA
predicted a record 1944 crop of 3-
255,000,000 bushels, while standing
pat on its previous forecast of an
all-time wheat harvest of 1,108,000,
000 bushels. Coupled with a record
sorghum crop of 100,000,000 bush-
els, overall grain production, in-
cluding oats, barley and rye, was
set at a top of 1,775,000,000 tons.

In addition, bumper crops were
forecast for cotton, tobacco, pota-
toes, sweet potatoes, soybeans,
apples, peaches, pears and pecans.
Alterations in the WFA's 1945 food
program call for an increase in pig,
cattle and milk production, but a 15
percent decrease in egg output
closer to the 1935-39 average.

VETS
According to an interpretation of
the War Labor board, veterans
relating to their old-time jobs are
entitled to any automatic promo-
tions and pay increases on the job.
In considering the selective ser-
vice act of 1940, requiring employers
to take back former employees re-
turning to work, the board ruled that
WLB ruled that the vet must be re-
hired "at the level to which he would
have been entitled if he had not been
in the service with the company."

MISCELLANY
The untimely death of Quar-
terback Allen Shafer of Wisconsin in
a game against Iowa was the first col-
lege football fatality due directly to foot-
ball since 1940.

Reflecting high business activity,
money in circulation jumped up
nearly \$800,000,000 dollars in Oc-
tober. The Federal Reserve Bank of
New York reported that the total
amount of currency in circulation had
broken in his service with the
company. . . .
